WIRELESS HEADPHONES

Stylish, lightweight and fully adjustable, wireless headphones complement your rear seat entertainment system with rich, dynamic sound quality. Cushioned padding helps ensure comfort, while individual volume control allows passengers a personalized audio experience. There's also an "Auto-off" mode to help extend battery life.

CARGO NET

Keep your cargo area organized and protected from spills with this hammock-style cargo net, designed to hold a variety of everyday items—from groceries to athletic gear—helping to ensure they don't shift around or tip over. Made of a durable mesh netting, the cargo net attaches to defined points in the rear cargo area, making it easily accessible. It installs in seconds and folds flat for storage.

CARGO MAT

Designed to protect your cargo area from premature wear, the cargo mat is made from highly resilient nylon that's resistant to fading, oils and chemicals for unsurpassed durability. It's color-coordinated to your vehicle's interior and features an embroidered VENZA logo. The cargo mat's sturdy rubber-backed construction prevents sliding.

REAR BUMPER PROTECTOR

Keep the top surface of your rear bumper free of scrapes and scratches and preserve your VENZA's "like new" appearance with this durable black PVC rear bumper protector. Featuring a top coating to protect against damage from ultraviolet (UV) rays, the rear bumper protector's raised tread pattern provides a custom look, while the skid-resistant surface enhances functionality.

VIP SECURITY – GLASS BREAKAGE SENSOR

Designed to integrate seamlessly with your existing factory security/keyless entry system, the glass breakage sensor (GBS) uses a highly sensitive microphone to detect the specific frequencies of glass being struck or broken. If the GBS detects glass breakage, it immediately activates the vehicle security system, sounding the alarm and disabling the starter. The GBS is capable of ignoring noises other than those associated with glass, ensuring you're not inconvenienced by "false alarms." Features one-touch arming/disarming.

REMOTE ENGINE STARTER

Enjoy the luxury of having your vehicle ready and waiting with a comfortable interior temperature on cold winter mornings or hot summer afternoons, courtesy of the VIP Remote Engine Starter. This clever accessory allows you to start the engine—and to activate the air conditioner, heater, defroster and defogger functions—before entering your vehicle. It's fully integrated into your factory security/keyless entry system, so there's no need for an additional remote.

ALL-WEATHER FLOOR MATS

Complement your interior and help protect your original carpeting from dirt, mud, snow and slush with these all-weather floor mats, custom-fit to your vehicle's interior and embellished with a custom-molded Venza logo. The mats feature a multi-dimensional design that channels liquids and debris away from your feet, along with a molded outer edge or perimeter "lip" to prevent moisture from reaching your vehicle's carpeting or flooring.

CARPET FLOOR MATS

Custom-tailored for an exact fit to your Venza's floor pattern, the carpet floor mats are constructed of high-grade plush nylon carpet and include an embroidered Venza logo. An aggressive no-slip backing helps keep the mats in position, protecting your original carpet from premature wear and stains. They're also removable and easy to clean.

WHEEL LOCKS

Constructed of forged, thoroughly hardened and tempered steel for structural integrity, with triple-nickel or zinc plating, these wheel locks provide inexpensive, dependable protection against wheel and tire theft. All wheel locks are precision weight-balanced to the stock lug nut weight, eliminating the need for rebalancing after installation.

PAINT PROTECTION FILM

Help protect your Venza's factory paint from sand, stones, insects and other road debris that can chip and scratch the finish with paint protection film. Constructed from durable, colorless urethane and nearly invisible, it can be applied to the frontal impact areas of the vehicle including the hood and fenders, helping maintain a like-new appearance.

As shown on the 2010 Prius.
